From (Name) L.B.Green Esq., M.B.E.,

(Designation) Director of Industries,

To The Secretary to the Government of Madras,

Development Department.

Sir,

(E)

I invite a reference to G.O.No.Ms.2237 Development dated 1st October 1937 sanctioning, among other things, the purchase of a radial type drilling machine at a cost not exceeding Rs.3085 for the Government Industrial School, Bellary. An indent for the machine was sent on the 27th October 1937 to the Chief Controller of Stores, New Delhi who has now forwarded to me the tenders received by him from six firms and recommends as most suitable for the requirements of the school, a machine offered by Messrs: Alfred Herbert (India) Ltd. for Rs.4592. As the rest of the offers do not satisfy the conditions in regard to specifications, time of delivery and price, I am constrained to

accept the machine recommended by the Chief Controller. I accordingly request that sanction may be accorded for the purchase of the machine at a cost of Rs.4592. A provision of Rs.3100 has been made for this purpose in the current year's budget and the extra amount required will be met by reappropriation from available savings in the departmental budget if possible or by applying, if necessary, for additional appropriation later on.

I solicit early orders as the machine is offered, subject to prior sale from the firm from their stock at Calcutta.

Director of Industries.

 2. ^(was accepted) ~~Sanctioned~~ for purchase of a drilling
 machine at a cost not exceeding Rs 3085
 while the price at which it is proposed to
 be purchased now is Rs 4592/- There is
 a large difference between the
 original and present prices. Perhaps
 the one machine of the required type
~~is available~~ ^{is available} within the cost
 sanctioned available but they can
 not possibly be delivered within the ^{current} year.

This is a faithful
 matter. What the position

 to forecast now. Make
 proposal may be accepted.

Forwards whether the D.D. may end
 obtain a machine next ^{year} within
 the sanctioned cost. If it is proposed to
 accept the D.D.'s proposal, the case may
 be sent to Fin for remarks.
